

2004 Leadership Pharmacy

A Young Pharmacists Leadership Conference

Eagle Ridge Inn and Resort
Galena, Illinois
August 26-29, 2004

Leadership Pharmacy, a new practitioner leadership conference, will hold its fifteenth annual conference, August 26 - 29 at the Eagle Ridge Inn and Resort near Galena, Illinois. The Conference will provide an unequalled opportunity for pharmacists in their first ten years of practice to develop organizational skills which enable both personal and professional growth. In recognition of the importance of this Conference to the development of future leadership for professional associations, the Iowa Pharmacy Association and the Pharmacy Society of Wisconsin have agreed to help underwrite all lodging, meal and program costs for each participant, making it an expense free weekend of professional development.

Leadership Pharmacy combines professional and social functions over three days, allowing participants to network with pharmacists from neighboring states during leadership programming, recreational activities, and issues discussions. Ten pharmacists will be selected from Wisconsin to attend the Conference.

Please consider applying for or recommending a pharmacist within his/her first ten years of practice to participate in Leadership Pharmacy. It promises to be an exciting and fulfilling weekend! An application package including a detailed schedule of events is available by contacting the PSW office at 608-827-9200. The application deadline is June 4, 2004.

This Nomination Form is for those pharmacists who do not qualify for participation in Leadership Pharmacy, but wish to submit the name of a colleague who does qualify.

I would like to recommend the following pharmacist for participation in the 2004 Leadership Pharmacy Conference.

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Recommended by: _____

*Send to: Pharmacy Society of Wisconsin, 701 Heartland Tr., Madison, WI 53717. Fax: 608-827-9292.
Each recommended pharmacist will receive an application form and detailed information on the conference schedule and format.*
