Re: Variance Extension Request – H1N1 Vaccination of patients 10 years of age and older

Dear Mr. Englebert,

This letter is in response to your request for a 90 day extension of the variance related to vaccination of patients 10 years of age and older for all Wisconsin pharmacists and pharmacy students who meet certain requirements.

As you note in your request, the Wisconsin Pharmacy Examining Board first granted the Department of Health Services a variance for these purposes on December 18, 2009 which accordingly is scheduled to expire on March 16, 2010.

Based on the information you provided, the Pharmacy Board hereby grants the requested variance extension as specified in the original variance and for the specified additional 90 days.

Accordingly, this variance will expire on June 10, 2010.

If you have any questions regarding this matter, please contact me. You may also contact the Board's Bureau Director, Gail Sumi at 608-266-8098 or [gail.sumi@wisconsin.gov](mailto:gail.sumi@wisconsin.gov).

Sincerely,

A handwritten signature in cursive script that reads "J. Severson GS".
