

# PSW Technician Section

## 2009 Goals and Objectives

Adopted by PSW Technician Section Board January 22, 2009

1. Enhance the networking capabilities of the Section
  - 1.1 Continue to increase contact and communication in the State and Regions
  - 1.2 Encourage personal recruitment for Board member positions
  - 1.3 Create opportunities to promote professionalism among members and non-members
  - 1.4 Continue to collaborate with the WI technical colleges who train pharmacy technicians
  - 1.5 Monitor activities of national pharmacy organizations
2. Maximize the communication resources of the Section
  - 2.1 Improve the reporting of changes that affect technicians in all sections of practice
  - 2.2 Annual promotion of National Technician Day
  - 2.3 Use TechLink to distribute Section related information to members
3. Encourage certification of all pharmacy technicians
4. Enhance the relationship with the WI Pharmacy Examining Board (PEB)
  - 4.1 Share resources of Section with PEB to pass new technician rules
  - 4.2 Collaborate with PEB to enhance credentialing of pharmacy technicians
  - 4.3 Encourage PEB to consider the addition of a pharmacy technician as an active member of the Board through a change in rule/statutes
5. Enhance the activity and viability of the Section
  - 5.1 Continue to develop strategies to increase membership
  - 5.2 Maintain continued focus on financial objectives
  - 5.3 Continue organization and planning of quality educational programs at the Educational Forum
6. Collaborate with PSW on professional and Society goals
  - 6.1 Increase technician representation at PSW Board meetings
  - 6.2 Work to achieve appropriate compensation for responsibilities performed in the workplace
  - 6.3 Provide tech-friendly programs and social functions at all-member educational meetings
  - 6.4 Promote increased pharmacist involvement in the continuing education of their pharmacy technicians
  - 6.5 Continue to improve the technician/pharmacist relationship
  - 6.6 Compare and contrast Section goals and objectives with PSW goals and objectives
