WISCONSIN STATE LEGISLATURE

Voting Record

Purpose of this Guide

PSW does not endorse candidates for office; however, we know that many of our members consider how legislators voted on pharmacy-related issues when making their voting decisions. This guide is designed to succinctly show how members of the Wisconsin State Assembly and Wisconsin State Senate voted on bills that were PSW priorities during the 2025-2026 legislative session. **This guide should not be seen as an endorsement of any candidate.**

Questions about this guide may be directed to PSW Vice President of Public Policy & Advocacy [Danielle Womack](#).

A Note Regarding Redistricting

The 2026 election is the first election for approximately one-half of the Wisconsin State Senate districts under new maps adopted in 2024. Due to significant changes to the State Senate district maps, the districts in which several legislators reside have shifted; therefore, the districts they are running to represent have changed. The district in which you live may also have changed. In some cases, your 2025-2026 Senator may be running for reelection, but their district no longer includes your address, and a different incumbent (or no incumbents) will be running to represent you.

Following the instructions below, “How to Read the Voting Records,” will help you determine your district for the Fall 2026 election.

This guide sorts all legislators by the district they are running to represent in the 2026 fall election, not their current district. Legislators not on the ballot, either due to their district not having an election this year or because they are not seeking reelection, are included at the bottom for reference.

How to Read the Voting Records

1. [Click here](#) and enter your address to see your district number and the names of candidates running for State Assembly and State Senate on your ballot.

Please note that not all State Senate districts will have elections in 2026, so you may not see a ballot option for the State Senate. All State Assembly districts are up for election in 2026.

2. Find the district number of the incumbent candidate on the Voting Record under the column "District (2026 Election)."

Please note that several districts have no incumbent legislators running for reelection.

3. For each piece of legislation, we have provided information regarding whether the legislator cosponsored/authored it, their committee vote on the legislation (if applicable; not all legislators serve on all committees), and their final floor vote on the legislation.

Green = vote / co-sponsorship aligned with PSW position

Red = vote / co-sponsorship did not align with PSW position

DNV = did not vote

4. Overall alignment with PSW positions by percentage can be found in the last four columns of the spreadsheet.
